GETHRAY

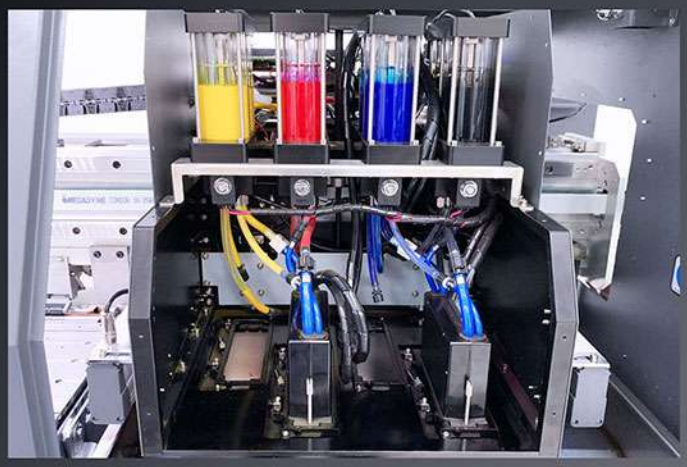
Carriage Position System: 150DPI Grating Positioning System
Carraige Lifting System: Manual Screw Type Carraige Lifting System
Printhead Protection System: Carriage Anti Collision System

Main Girder Structure: 200*100*T6MM Square Tube
Carriage Beam: 4500mm Thickened Aluminum Beam
Linear Guide Way(Optional): Two THK Linear Guide Way With Four Blocks
Pinch Roller: 36PCS High Precision Aluminum Made Pinch Roller

Printing Bed: 225mm Wide Printing Bed
Material Suction System: Adjustable Vacuum Suction System
LED Lighting System: Printing Bed Lighting System
Y Driving Mode: 20mm Diameter Steel Axis
Heating System: Rear Cover-Printing Bed-Front Cover

X Driving Mode： Belt&Pulley
XY Motor Bracket: Aluminum Machined Brackets



Ink Supply System: Negative Pressure &Ink Ciculation System
Printhead Cleaning System: Individual Ink Purging System

Ink Flying Control System: Suction Type Waste Ink Tank

Ink Refilling Bottle With Sensor: Ink Refilling Bottle Wth Sensor

Mains Input System: Independent System Power Input And Heating Power Input

Computer Monitor(Optional): Acer 18.5 Inch LCD Screen
LCD&Key Board Bracket(Optional): Aluminium LCD &Key Board Bracket

Image Drying System: Intelligent IR Heating Drying System
Vinyl Take Up System: Double roll Vinyl feeding system
Roll Material Take Up System: Basic Roll Material Take Up System

Roll Material Feeding System: Step-free Feeding System
Vinyl Feeding System: Double Roll Vinyl Feeding System
Big Roll Material Holding System(Optional):Big Roll Material Holding System

Forklift Location Bracket: Yellow Forklift Bracket
Anti Shake Leveling Stand: Anti Shake Leveling Stand
Printer Name Plate: CE Paper Name Plate

Right Side

Home Sensor: Metal Induction, Long Life
Start/Stop: One Click Start/Stop To Prevent Misoperation
The Door: Air Spring Power, Quick And Convenient

Left Side

4 in1 Heating Control System: Unified Operation, Fast And Effective
Ink Supply Alarm Lamp: Flash And Buzz When Ink Supply Is Abnormal,Avoid The Problems
Carriage Capping System： Manual Capping Plate
